> STATE PRINTING-STRAIN AND STRETCH -The philosophical definition of "strain," and "stretch" is principally a weakness in the back. [This, we would editorially remark, has reference to the queer and singular fellow who edits the opposition paper to us.]

Webster, in his immortal dictionary, has other definitions of the words "strain" and "stretch." quoting Swift, (see as we have above quoted.)

"Prudes decayed about may track. And strain their necks by looking back." The next definition of the word "strain," or "stretch," given by the illustrious individual we have already referred to, certainly refers pro phetically to the editor of the Journal Hesays, on the same pages we have instanced, quoting poetry, that "stretch" means

"To make tighter." The next quotation by the eminent Massachusetts man, in his great book, relates, as we think. to Morton. Webster says, with regard to the "straining" and "stretching" His Excellency is now doing, that

"To build my fortune I will strain a little -Straining with rather too weak a thing. The great lexicographer proceeds defining 'strain," "stretching," and Morton in this wise: we refer again to the pages we have heretofore alluded to] "Strain-a violent effort; a stretch ing or exertion of the limbs or muscles; the force A LITTLE LATE -Owing to an accident to exerted on any material, tending to disarrange

comes pecessary. We have not told all we know as to either of them with regard to the "cohesion

Night Report

From New York. New York August 26 - Drafting proceeds unietly to day in the Fifth, Eighth and Ninth

The steamer North Star, from Aspinwall the 6th, bas arrived. Our Panama letter of the 16th states that the new President, Gen. Santa Colona, was inaugurated at Panama on the 3d. The Spanish squadron had arrived and the officers were guests at a banquet in Panama.

The North Star reached Aspinwall on the 13th from New York, having thrown over part of her areo and her mails in a saturated condition from 44@45c the effects of a severe gate. Two slight shocks of earthquakes occurred on the 6th, on the I-thmus.

The following interesting letter is from Mr C C. Fulton, editor of the Baltimore American, from off Charleston, August 23; Fort Sumter still flies the rebel flag, but its west wall is a mass of ruins. Our shells go into the fort and explode inside some of them passing through the east wall, going in one side and com

ing out at the other. An easterly storm prevailed on Tuesday, but broke away on Thursday, and we now have fine

It is expected that the monitors will go in force

to Sumter this afternoon. The Ironsides and wooden vessels have shelled Forts Wagner and Grege every day, keeping them quiet while our shore batteries are engaging Sum er Seven men were picked up off Sullivan's Is land. They report that the rebels are preparing to abandon Sumter and blow it up; that they have been taking guns out of it ever siece the attack upon it in April last, which demonstrated their inability to hold it; that there are not now more than six or eight guns in the fort, a great number of them being Quakers; that the cordon of beer barrels are merely intended to sustain the

There are no reports of obstructions in the The North Cirolina troops are anxious to go home, and they are almost in a state of mutiny The rebels anticipate the fall of Charleston; that the walls of Sumter were extensively breached in April; that there is a great scarcity of provision. The rebel flag of Sumter has been shot away four times, and now there is no flag up The rebel batteries on James Island throw shells night and day into our lines, but do not cause more than one or two casualities daily

telegraph wires between Sumter and Moultrie

Admiral Dahlgreen is anxious to let the army and naval batteries finish Sumter, expecting to have plenty of work for the monitors in taking the interior line of defenses of Charleston. A flag of truce was sent to Wagner on Friday morning, and firing ceased during the interview, when it was resumed again

Gen. Gilmore notified Gen Beigreg and that he would commence to shell the city within 48 hours after requesting him to remove the women and The whole monitor fleet went up on Friday night for another assault upon Sumter. The

Passaic got aground and so much time was lost

in getting her off that the expedition was abandoned for the night. The rebels did not discover her polition although she was within half a mile of the fort OFF CHARLESTON, SATURDAY, August 23 -Sumter is an immense ruin. The rear wall is buttered down and the interior of the fort is onen to view. Our shells strike against the inside of the front wall, which is greatly shattered, and at

times halls pass entirely through the fort The flag of Somter was shot away four times during Friday. A new flag is un this morning The weather is very hot and there is no ice to

Should there he no accident to night the old flag will float over Sumter to morrow.

From Kansas City. Kansas City, Aug. 26 - The following are ex

tracts taken from General Order, No 11, issued from these hendquarters, August 25th; First. All persons living in Jackson, Cass and Bates counties, Mo., and that part of Vernon county included in this district, except those liv ing within one mile of the limits of Independence, Hickman's Mills, Pleasant Hill and Harrisonville, and except those in that part of Kaw township, Jackson county, north of Brush creek and west of the Big Blue, embracing Kansas City and Westport are hereby ordered to move from their re-ent places of residence, within fifteen days from the date bereof; those who within that time establish their lovalry to the satisfaction of the commanding officer of the military station nearest their present places of residence, will receive from him a certificate stating the fact of their loyalty

and the names of witnesses by whom it can be All persons who receive such certificates will be permitted to remove to any military station in cords of good, well seasoned wood, delivered and siled this district or to any part of the State of Kansas except the counties on the eastern border of the State. All others shall remove out of this

Officers commanding companies and detach ments serving in the counties named, will see that this paragragh is promptly obeyed. Second All grain and hav in the field or under shelter in the district from which the inhabitants are required to remove, within the reach of the military stations after the 9th day of Sertember next, will be taken to such stations and turned over to the proper officers there, and a report of No. 14 and 16 North Meridian Street, the amount so turned over made to District Headquarters, specifying the names of all loyal own ers, and the amount of such produce taken from them. All have and grain found in such district

nient to such stations, will be destroyed, From St. Louis.

Sr. Louis. August 26 - A disputch from Gen. Schoffeld, from Pilot Knob, says: Col. Woodson's cavalry made a reid into Pocaliontas, Askansas, ronted a band of guerrillas and captured about 100 prisoners, among them Gen. Jeff Thompson and all his staff. A special dispatch from Leavenworth to the

Democrat says: Jim Laue has returned to Lawrence. The citizens with Lane killed forty one of Quantrill's men.

Lane is organizing forces and says he will go into Missouri early in September. Muctial law has been published in Leaven-Some 183 bodies have been buried at Lawrence

up to this morning. Seven more bodies have been found. One hundred and eighty two buildings were burned, and 85 widows and 240 orphans were made by Quantrill's raid. All the towns in the State have sent in large

sums of money for the relief of the sufferers.

One of Quantrill's spies was hung at Lawrence to day, The Chiefs of the Delawar and Sacs and Fox Indians have offered their services to Lane. Reports inst received say buildings in Cass county. Mo., are on fire and over 100 rebel sympathizers have been killed
